Fees may be paid via credit/debit card (Visa or MasterCard only), cashier's check, money order or personal checks made payable to "Forest Preserves of Cook County". Payments for reservations may be made:

Please Note: Payment is preferred in full. Minimally, the \$25 Application fee and 50% of the room rental fees must be paid no later than 48-hours from receipt of application. If the application fee and 50% of the room rental fees are not received within 48 hours of your application, requested date(s) will be released and the reservation will be cancelled. Any remaining balance along with a security deposit of \$200 is due no later than 30 days before the event date. If the final payment is not received 30 days prior to your event, the pending permit may be cancelled and your own down payment will be forfeited.

#### 2. INSURANCE W/ ENDORSEMENT

FPCC requires that all individuals, groups and organizations submit a Certificate of Insurance with Endorsement naming the applicant as the insured and verifying comprehensive General Liability. Certificates w/Endorsements must be effective starting the first date of rental, insuring the applicant in the amount of \$1,000,000.00 per occurrence. The Certificate and Endorsement must be submitted 30 days prior to the scheduled event date or your permit may be cancelled and your down payment will be forfeited. The Certificate and Endorsement must name the Forest Preserves of Cook County, 536 N. Harlem Avenue, River Forest, IL 60305 and Antares Golf, LLC dba Indigo Golf Partners and FPD Pavilion Management, LLC 12700 Sunrise Valley Drive Suite 300 Reston, VA 20191 as additional insured. Your typical cost for this will be \$120+. For a sample, see APPENDIX A.

#### 3. FLOOR PLAN

A detailed floor plan must be completed and submitted for all events at least 30 days prior to the scheduled event date. An additional \$25 fee will be added to any event with a late floor plan submission. We will provide you with documents to help you create your floor plan after you submit your application. A limited number of tables and chairs are provided for indoor areas.

#### 4. VENDOR CONTRACTS & INSURANCE

Items being brought into the natural outdoor areas of the preserves are called special use items. Contracts AND certificates of insurance must be submitted for all vendors you work with outdoors. For example: Caterers using a grill, bounce houses, tents etc. All items brought into the outdoor area are subject to a \$15 special use fee. Contracts and certificates of insurance must be submitted for vendors remaining on site for your event (for example: caterers). Vendor insurance certificates do not have to list the additional insureds that your insurance has to list. While you are not required to use FPCC approved vendors, we already have their insurance on file with will save this step for you.

## OTHER RENTAL INFORMATION

Non-profit groups and organizations may qualify for a 50% discount on the hourly rental fee for qualified events Monday-Friday. - The use of the kitchen area goes to the permit holder of the large (East) Room.
- The use of the outdoor grove (where the picnic tables are) goes to the permit holder of the large (East) room.
- The interior lights have a delay when activated. If you turn the lights off (for a surprise party for example) they will not come on right away when turned back on.
- If you'd like to prop doors open or run the fireplaces, the A/C units will be turned off as they will be overworked.

- There are two rooms at this location, permitted separately, so there is a chance you could have another event going on at the same time as yours if you choose to reserve only one room.

### Dan Ryan Pavilion

- The parking lot is not immediately close to the facility, there is a long walkway by which you can access it.
- You can pull up temporarily to unload while setting up and cleaning up; however, you and your guests may not park cars up by the pavilion (unless they are rightfully using the accessible parking available there).
- If you'd like to prop doors open, the A/C units will be turned off as they will be overworked.
- The interior lights have a delay when activated. If you turn the lights off (for a surprise party for example) they will not come on right away when turned back on.

- This is a popular location for exercising which impacts parking and overall density.
- There are indoor restrooms nearby the pavilion, however, they are shared with the public.
- The patio space near the restrooms (with picnic tables and umbrellas) is a public space. The outdoor space included with your permit is on the other side of the pavilion (and includes picnic tables as well).

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to [www.irs.gov/charities](http://www.irs.gov/charities).
